Moral Convictions Questionnaire

For those applying for leadership with *commUNITY church*
(If married, husbands and wives should each complete a questionnaire)

The Bible makes it clear that we should avoid sexual immorality (I Thess.4:3-6). Being “above reproach” and “having a good reputation” are two of the qualifications for spiritual leadership listed in I Tim. 3. In light of this, *commUNITY church* is highly concerned about the area of moral purity for our leaders. It is critical for each leader to exhibit strong convictions and a lifestyle consistent with Biblical standards.

A past problem in this area does not necessarily disqualify you, provided: 1) it can be determined that convictions are strong and consistent with Scripture, and 2) a sufficient “time-tested” track record of victory has been established. The information that you share with us will be treated confidentially and will be seen only by an individual directly involved with your application decision.

NOTE: Because of the sensitive nature of these questions, you may prefer to discuss your answers over the phone. If so, please answer questions A through F. Please then indicate your desire for a phone interview. Otherwise, complete each question thoroughly.
